

## Town Report

JUNE, 2014

- Thursday Night Family Fest began June 5<sup>th</sup>.
- This Friday June 13<sup>th</sup> will be the start of the Town's Summer Concert Series with McLaughlin Theater will be performing a concert version of their summer musical production of "Cats" with local youth.
- The Downtown Master Plan design on Taylor Rd from Horseshoe Bar to Oak Street and from Oak Street to Shawn Way (Pedestrian Crossings only) – Staff & Bennett Engineering have set up a Community Workshop for June 18<sup>th</sup> at 7pm.
- On June 20<sup>th</sup> there will be a "Taste of Loomis" event at the Blue Anchor Park from 6:30 p.m. to 10 p.m. This is put on by "For One Another Foundation" to raise money for water filters for safe water in Kenya and Uganda. (\$40 a ticket) There will be food & wine, silent auction and a band.
- On June 21<sup>st</sup> at the Multi Modal parking lot there will be a "Lucky Finds Craft & Antique Market."
- On June 28<sup>th</sup> at the Multi Modal parking lot there will be a "Community Yard Sale," put on by the Loomis Community Preschool.
- On May 21 the Town Finance Director and Town Manager met with Animal Control to review the charges invoiced to the Town. The result has been a reduction in this coming year's charges.
- On May 22<sup>nd</sup> the Town Manager met with the SACOG Regional Government Affairs Committee to keep abreast of current legislative initiatives which may affect Loomis.
- The Town Manager attended several SACOG meetings to discuss our concerns regarding potential crude oil shipments by rail which may impact the Town of Loomis. SACOG staff will be requesting the SACOG Board of Directors direct staff to work with SACOG's members to prepare regional comments on the draft environmental impact report for the Crude by Rail project proposed at the Benicia Refinery. Town staff will keep the Council and public updated as further information is available.

- The SPMUD Board met June 5<sup>th</sup> and directed their staff to begin engineering work on the Diversion Line to resolve the sewer flow issues in the Town. The Board also directed staff to include money in the budget for the engineering work. At the request of the Town, Kim Pruett of Congressman Tom McClintock's office attended the meeting to keep abreast of the progress towards resolution.
- On a related note, Councilmember Black and the Town Manager met with Assemblywoman Beth Gaines staff to brief them on the sewer flow constraints in the Town.
- The Town Finance Director, Public Works Director and Town Manager have been working on the FY 2014/2015 draft budget and draft CIP which are included in tonight's Town Council packet for discussion and adoption.
- Public Works Staff preparing the Encroachment Permit Application for Caltrans to plant trees in the Horseshoe Bar Interchange On & Off ramp loops and to attach metal art work to the bridge.
- The Town received three proposals for the update of the Circulation Element. Being discussed at the Council today.
- Public Works Staff working with the region to acquire a consultant to prepare a Low Impact Design Manual as required by the State.
- Public Works Staff is coordinating with the Placer County Region to participate in the Local Hazard Mitigation Plan required by FEMA for future funding.
- Public Works Staff discussing designs with Rukula Granite for the Peter Oaks Stage plaque.
- Preparing the Bid Packages for the CIP projects (Taylor Road from S. Town limits to Circle Dr, Sierra College Blvd from Bankhead to the RR Tracks and Bankhead from King Rd to Saunders Ave.)
- Staff is working with the Sheriff to prevent vandalism at the Blur Anchor Park.
- Staff has hired an electrician to install new track lighting and update the existing low level lighting at the Depot Council Chambers. Parts are being ordered and work will begin in a week.
- Working on 2 property owner easement issues or applications.
- Working on 5 Traffic Safety related issues.
- Plan checked 16 Building Permits. 1 Encroachment Permits.
- Responded to 63 phone calls from residents, agencies and private companies.
- Public Works Crews are tree trimming, weeding and mowing along the edges of the right-of-ways.
